PROGRESS CHRISTIAN COLLEGE

PARENT STUDENT ACCOUNT SETUP GUIDE

One page, simple steps for opening the student account

1

Open the website

On the phone, open Chrome or Safari and type: **www.progresschristiansys.com**

2

Tap LOGIN

Press the **LOGIN** button. Choose the student login page if asked.

3

Enter Reg Number

Type the child's 6-character registration number, for example **PCC123**.

4

Enter Password

Use the password sent by the school. Type slowly and check capital letters.

5

Add Picture

After login, open the profile/photo area. Tap upload or camera and choose the child's clear face picture.

6

Save and Check

Press save. Make sure the name, class and photo are showing. Keep the reg number safe.

Need help? Visit the school office with the child's registration number.

Use a clear passport-style photo: face visible, no dark background.
